Patent No. : 6,883,994 (Formerly U.S. Serial No. 10/643,051)

**SECOND REQUEST FOR CERTIFICATE  
OF CORRECTION UNDER 37 C.F.R §1.322**

Sir:

Pursuant to the provisions of 35 U.S.C. §254 and 37 C.F.R. §1.322, Patentee respectfully requests issuance of a Certificate of Correction to correct an error in the printed document of U.S. Patent No. 6,883,994 which issued on April 26, 2005. A completed Form 1050 is enclosed that specifies the error for which correction is requested.

This is the second request for correction of this error. A first "Request for Certificate of Correction" was filed on July 11, 2005. In a paper mailed July 29, 2005 this first request was denied on the grounds that "applicant failed to include proper documentation in support of claim." More specifically, the denial stated that "documentation to support applicant's claim should include a copy of applicant's returned postcard receipt which reflects applicants statement of filing under 37 CFR 1.6(e) mailed by the Patent & Trademark Office as proof of filing."

In response, applicant submits herewith a copy of each side of the requested postcard, which shows that the "Statement Under 37 C.F.R. 1.6(e)" was filed with the application on August 18, 2003. The postcard was stamped received by the U.S. P.T.O. on August 18, 2003.

OCT 05 2005

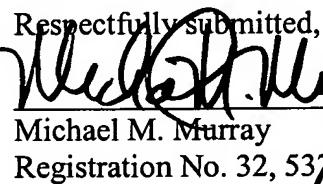

As noted in the first Request for certificate of Correction, although this application was filed on August 18, 2003, there was an attempt to file it on August 15, 2003. It could not be filed on August 15, 2003 because the Post Office was closed due to a power outage in New York. Because the Statement Under 1.6(e) was timely filed and received by the Patent Office, the proper filing date of this application is August 15, 2003. It is this date that should have been used when the patent was printed. Due to a Patent Office mistake, the Statement Under 1.6(e) was ignored.

No fee is believed due. However, the Patent Office is authorized to charge any fees which may be required by this paper to Deposit Account 13-3250, Order No. 36902.00000.

It is respectfully requested that a Certificate of Correction be issued to Applicants to correct this printing error.

Dated: Sept. 20, 2005

Respectfully submitted,
